Confidentiality & Consent

All client information is held in the strictest of confidence. Results will not be given to anyone else unless **specifically instructed** to do so.

However in support of members of the agricultural community that are making an effort to clear the market of the flaxseed event FP967, we have been asked to provide the **results** of this test to the following:

1 The Flax Council of Canada
2 The Canadian Seed Growers Association (pedigreed samples only)
3 OlaTech Corporation (information & data analysis)
