Confidentiality & Consent

All client information is held in the strictest of confidence. Results will not be given to anyone not listed on the customer's account unless specifically instructed to do so.
However, in support of members of the agricultural community that are making an effort to clear the market of the flaxseed event FP967, we have been asked to provide the results of this test to the following:

- 1) The Flax Council of Canada
- 2) The Canadian Seed Growers Association (pedigreed samples only)
- 3) OlaTech Corporation (information & data analysis)

By signing here, you are authorizing us to release the information to the parties listed above:
